Dear Sir:

Supplemental to the Information Disclosure Statement filed on April 3, 2006, Applicant is enclosing Form PTO-1449 together with three (3) additional references. These references were cited in either the International Search Report, copy enclosed, or the Austrian Office Action. The other references cited in the International Search Report and the Austrian Office Action have been previously submitted with Applicant's April 3, 2006 Information Disclosure Statement.

GB 1 245 589 is believed to be the English-language equivalent of DT 19 19 464.

It is respectfully requested that the foregoing Supplemental Information Disclosure Statement (IDS) be incorporated into the official file of the present patent application.

Respectfully submitted,  
Josef ARTELSMAIR
